GUEST SPEAKER TODAY - LUKE HATFIELD

Luke grew up in Cedar Grove, where he graduated from high school in 1999. (He is the son of Tim & Laura Hatfield at ODBC.) Luke graduated from Concordia University Wisconsin in 2003, and received his Masters of Theology in 2006 from Dallas Theological Seminary. Luke served as a youth pastor for six years at First Baptist Church in Medford, WI. In the fall of 2012 the Hatfields moved to Ripon to work with *His House Christian Fellowship*, a student ministry on the campus of Ripon College. A distinctive of *His House Christian Fellowship* is the focus on discipleship through personal relationships. Luke's wife Mikaela grew up in Omro, WI, not far from Ripon. Luke and Mikaela have two children, Traeger and Ataly.

In their ministry with *His House*, the Hatfield's are missionaries dependent on financial support from churches and individuals who partner with them. Open Door Bible Church is privileged to be one of their supporting churches. If you have questions about joining their support team personally, you can talk to them today or their contact information is in the church directory.
