

# Somewhere Forever

## Heaven – Part 6

- I. God longs for us to be in heaven and escape hell (2 Peter 3:3-9).
  - Scoffers believe human history will always continue as it is (3,4).
  - Noah's flood proves that God does interrupt human history to judge sinners (5-6).
  - God will judge sinners again (7).
  - The reason history has continued as long as it has is because God is waiting for all who will be saved (8-9).
- II. Good Works cannot earn our way into Heaven because we are all sinners (Romans 3:10-23).
- III. The penalty of sin is death – eternal judgment in hell (Romans 6:23).
- IV. Jesus Christ satisfied God's justice on the cross so that we could be saved.
