
SERMON OUTLINE

God is Unstoppable

Acts 5:12-42

- I. Power for salvation: God drew many more people to faith in Christ (Acts 5:12-14).
 - Do we pray and expect God to grow his church through people getting saved?
- II. Power for healing: God healed many through the apostles (Acts 5:15-16).
 - Do we realize God still does miracles?
- III. Protection through an angel: God used an angel to free the apostles from jail (Acts 5:17-26).
 - Do we pray for God to use His power to proclaim His message of salvation?
- IV. Power to speak boldly: God used Peter to exalt Christ boldly before angry Jewish leaders (Acts 5:27-32).
 - Are we focused on exalting Christ or exalting human forms of power?
- V. Protection through unbelievers: God used an unbeliever to spare the apostles' lives (Acts 5:33-39).
 - Do we trust God to do his will even through unbelievers?
- VI. Power to suffer willingly: God was exalted as the apostles suffered joyfully and kept proclaiming the gospel (Acts 5:40-42).
 - Whatever difficulty I have serving Christ, do I consider it a privilege? Does it stop me from serving?
