

## **The Christ of Christmas Is Also the Creator God**

Speaker: Pastor Jim Engelman

- 1. Jesus Christ existed in Eternity Past before His incarnation. He is God. – John 1:1-2, 14, 18**
- 2. God created the world through Jesus Christ  
John 1:3, 10; Colossians 1:16; Hebrews 1:2**
- 3. It is not consistent to believe in the incarnation of Christ and not believe in the literal 6-day creation record as God describes it in Genesis 1 & 2.**
- 4. Important points from God's record of creation.**
  - God is clearly in charge. He was not a "passive" Creator.
  - God started with the earth in the physical creation.
  - God created light before He created the sun, moon & stars.
  - God created plant life, fish, birds and animals all to reproduce after their "kind".
  - Man was clearly a special creation of God, created in the Image of God. Man is not just an animal. 1 Cor. 15:39
  - There was no death before Adam and Eve sinned.
  - The genealogies in Genesis 5 & 11 set the date creation just over 4000 BC.
- 5. Reasons why people reject what God said about creation and turn to other "speculations". Psalms 14:1; Romans 1:18-28**
