

## Matthew 28:19-20

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey all I have commanded you. And surely I am with you always, to the very end of the age."

# Our Vision

OPEN DOOR BIBLE CHURCH has been a church family that teaches God's word for life change and fosters lifelong relationships. We long to increase our impact for the gospel and see people joyfully equipped to make disciples in our communities until Christ returns.

The added space of the Discipleship Center will enable more people to experience spiritual discipleship in those rich and personal ways.

# Our Need

Our current facilities serve our purpose of worship quite well, but we really have no adult classrooms or fellowship areas on the main level. **Six new classrooms** will immediately eliminate the makeshift adult classrooms that block the foyer and restrooms, and are hastily set up each Sunday in the worship center.

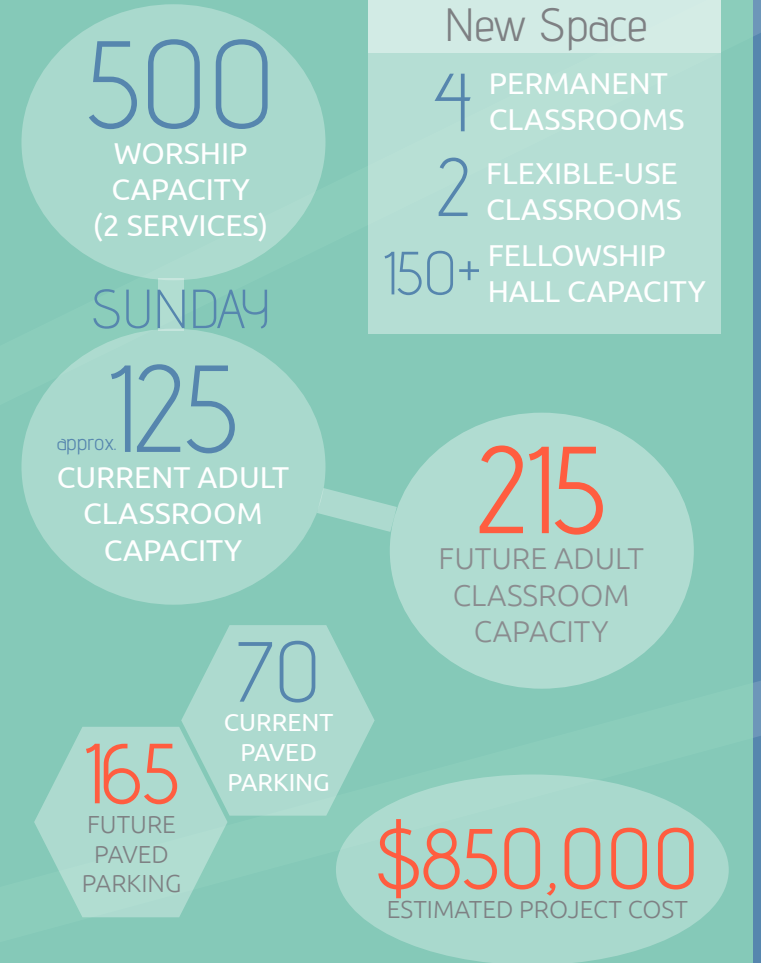

# Our Solution

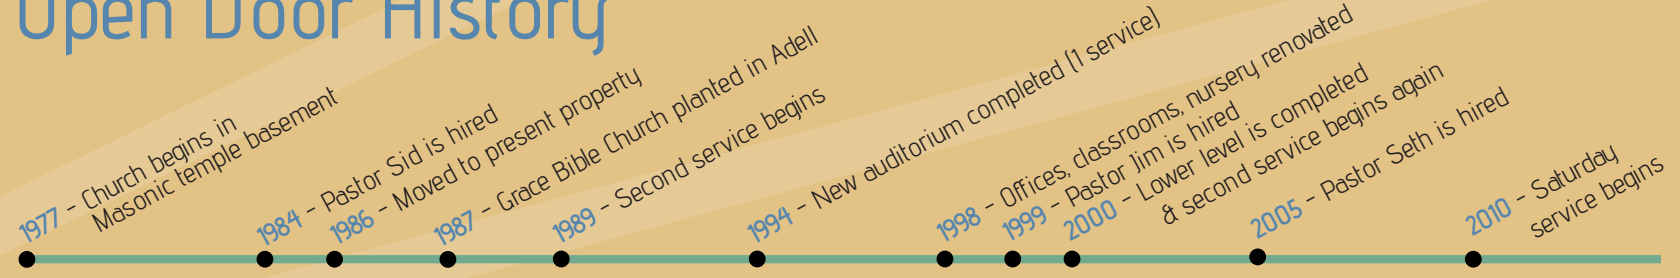

The new **main level fellowship hall** will host weeknight studies, celebrations, funeral meals for the community, large group activities and will surely be a catalyst for many creative ministries. The **additional foyer space** and **coffee table area** will ring with countless encouraging conversations for decades to come. And the additional **paved, lighted and landscaped parking** in the rear will make all our facilities more accessible.

This facility is not just for us who call this our church home now; it will enable new people to be welcomed into meaningful relationships and discussion of Bible truths every Sunday and throughout the week. Twenty or thirty years from now, there will be many new faces in our ministry, but this building will still be connecting people to God and to each other.
