

Missions Evangelism

- Missions is a biblical necessity as part of Reaching (Matthew 28)
- Rhett & Stacie Stous phone call
In January the Stouses left for Papua New Guinea to follow a calling God had laid on their hearts eight years before that. Now ten months later, with national language study mostly complete, they are beginning to make tough decisions that will greatly affect their experience for years to come. Who will they work with? Where will they serve? These questions are on the front of their minds. Please join Rhett and Stacie as they pray for God's direction and that God will prepare the hearts of those they hope to reach.
- Sharing how evangelism worked in tribal Indonesia. Pastor Jim shares examples/stories.
- Closing applications – Pray, Give, Go
